IOT Solutions World Congress (IOTSWC)

The IOT Solutions World Congress (IOTSWC) is the leading global event focused on the transformative power of IoT, AI, and digital transformation. It's where industry leaders, innovators, and decision-makers come together to shape the future of business and society.

From May 13–15, 2025 in Barcelona, IOTSWC will unite over 11,000 visitors from 100+ countries, offering a dynamic platform for networking, knowledge sharing, and discovering cutting-edge solutions revolutionizing industries.
